

GEOGRAPHY

Paper 2: Human Environment
Change in Economic World

Paper 2: Human Environment
Resource Management

Paper 3: Geographical Application

Pre Release Preparation

What resources does the UK have and can we manage them?

Why are some countries more developed than others?

YEAR 12

Can deserts provide opportunities?

How should the UK produce its energy in the future?

How can countries develop?

Paper 2: Human Environment: Urban Issues and Challenges

Making money is more important than ecosystems. Do you agree?

Paper 3: Geographical Application

Local fieldwork investigation

What is coastal management?

What can be done to make cities more sustainable?

YEAR 11

Why are there different ecosystems around the world?

How can we manage the effects of flooding?

Why are cities growing so fast?

Is the UK's weather becoming more extreme?

Paper 1: Physical Environment
Living World

Paper 1: Physical Environment
Physical Landscapes in the UK

Can we reduce the effects of climate change?

Why are ecosystems so important?

How can we be more sustainable?

Why are volcanoes so dangerous?

YEAR 10

Are tropical storms becoming more severe?

Why are ecosystems so fragile?

What are the issues that cities face?

Can we manage the effects of earthquakes?

Paper 1: Physical Environment: The challenge of Natural Hazards

What can we do to reduce the effects of earthquakes?

Are the beaches in NE being protected?

How does the sea shape the coastline?

What is China?
Why is China's population the largest?

Is climate change real?

Extreme weather in the UK

YEAR 9

How hazardous are earthquakes?

Why do people go to the beach?

Local fieldwork Investigation – local coast.

Why is everything made in China?

What is Britain's weather like?

Why does it always rain?

YEAR 8

How do rivers shape the land?

What is it like to live in Africa?

Fieldwork investigation into local river

What makes places fantastic?

Is flooding getting worse?

What is Africa? Is it poor?

What do I already know?

Where are the fantastic places in the world?

YEAR 7

PRIMARY
