

Craft club

This year our fabulous creative craft team has designed parts of a quilt for a charity called HIV, a lot of schools in the country have also been taking part in this project. The quilt will be made and taken to schools all over the country, this was also a competition and one of our pairs came fourth: Kathrine and Carys, A big well done to them. The lady who organised everything is called Laura Cassidy,

Our craft club have also had the pleasure of making gel wax candles for mother day and if you would like to purchase one we will be selling them at the year eleven parents evening. We have many colours such as: red, yellow, blue, green, clear, orange and some have sand in or glitter, there is also

sea shells, sea glass, beads, buttons and some are plain. If you started in September you will have also had the chance to make some jewellery like bracelets, ear rings and necklaces.

If you are interested in this fun club it is on every Tuesday night after school till 16:45. The teachers who you should ask to join are Mrs Marshal and Mrs Bird as they are the teachers who have started craft club.
