16.06.2021

Dear Parents and Carers,

As you are already aware, Relationships and Sex Education (RSE), along with Health Education formed part of the National Curriculum. This change began in September 2020.

As a part of your child's education at Farringdon Community Academy, we continue promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

As a school we have introduced a new SRE Policy and implemented SRE within tutor time. However to give our students a more in-depth RSE curriculum we will be having RSE drop down days in FCA. The first is with Year 10. As RSE has an annual celebration of excellent Sex Education that educates young people about healthy relationships and positive sexual health. We are going to maximise this day within school.

RSE Day 2021 takes place on Thursday 24th June and is encouraging schools and the wider community to get involved. FCA will have a RSE drop down day and our Year 10s will be off timetable the whole day. They will be working with outside agencies within school covering workshops based around healthy relationships and positive sexual health.

As a school community, we are committed to celebrate RSE and ensure your child has a positive outlook. If you would like to find out more, discuss concerns and give feedback on the RSE drop down day, could you please email us at enquiries@farringdonca.net where you will be in direct contact with the person who is responsible for the planning and implementation of the new RSE curriculum.

Kind regards,

Mrs Hawley
