Dear Year 9 Parents and Carers,

Year 9 Virtual Parents' Evening: Wednesday 23rd June 2021, 2.30pm - 6.30pm

We are very excited to be trialling our first ever Y9 Virtual Parents' Evening. We have spent time exploring and trialling how we can meet with parents remotely, but effectively and we think we have found the solution in the online platform **SchoolCloud**.

SchoolCloud allows parents to book online appointments to calendared virtual school meetings. SchoolCloud allows you to choose your own appointment times with your child's teachers and organises these appointments into 'best fit' times for you and your availability. Once all of your appointments are booked, you will receive an email confirming them, then all you have to do is log onto SchoolCloud ahead of your first appointment and SchoolCloud will do the rest.

We are confident that this is one of the best platforms available and feedback taken from initial trialling has been really positive. Staff and parents so far have found it an easy system to use and an effective and safe way to allow us to resume our face to face meetings with parents and carers, something which we have missed over the last few months.

As this is a trial, we welcome any feedback you have on your experience and you will receive a short survey, following the Virtual Parents' Evening, to give you the opportunity to let us know what you think.

Parent, student and teacher meetings:

The **Year 9 Virtual Parents' Evening on Wednesday 23rd June 2021, 2.30pm - 6.30pm** is an opportunity for you and your child to meet with your child's teachers and receive a final update on your child's KS3 academic progress (both in school and whilst learning remotely) before they move into KS4 in September.

Appointment times are limited to **7 minutes** per appointment and our staff have been asked to concisely report to you on the following four areas:

1. Specific updates regarding our delivery of the curriculum – what has been taught/ is being taught/ will be taught by the end of this academic year and key stage
2. Your child's academic performance to date and their current attitude to learning
3. Your child's attendance to and participation in lessons, including remote learning
4. Your child's strengths and targets for further development and improvement if they are continuing the subject into KS4
5. Recommendations and advice in supporting your child's subject progression and transition into KS4

In addition to staff sharing this information, you will also be given the opportunity to submit any specific questions you might have for individual teachers when making your appointments. We would encourage parents to use this feature to make these meetings even more personalised and supportive. The 7 minutes available is extremely valuable for our staff to communicate to you a detailed update, therefore there will be limited time for live Q&A. With this in mind, please help us tailor your appointment to you and what you would like to know through submitting questions in advance via SchoolCloud and/or getting in touch with our staff via email after the event, if questions arise from the VPE.

Booking your appointments:

The appointment window to make your bookings opens Wednesday 16th June at 9am and will close on Monday 21st June at 12pm.

All parents and carers wishing to attend must log into SchoolCloud and make their appointments within this window. Should you wish to make any changes after this date please contact the school office.

Please visit <https://farringdonca.schoolcloud.co.uk> to book your appointments. I have included with this letter a step-by-step guide on how to log in and add appointments. Logging in should be simple, all you need is the following information:

	Example
Student's First Name:	Alex
Student's Surname:	McGregor
Parent Email Address:	Lynne.M@gmail.com
Date of Birth:	12 January 2008

You should book an appointment with each of your child's teachers. Teaching staff will be available for appointments between **2.30pm - 6.30pm**. You may also wish to book an appointment with your child's Heads of Year for pastoral support, however these virtual appointments will be limited. Due to potentially high demand for meetings with Mrs Owen (Head of Year 9), we have asked Mrs Owen to arrange individual phone appointments with parents who have not been able to make a virtual booking. If there are no virtual appointments available when you make your booking, please contact the school office or Mrs Owen directly via email and your request will be recorded. Telephone appointments will take place as close to Wednesday 23rd June as is possible.

All of the correspondence from SchoolCloud will be via email so it is important that we have your current email address. If you need to update us with this, please get in touch with the school office to do this. In addition, if you do not have access to the internet or have any difficulty in booking your appointments or attending this event online, please contact the school office who will be happy to support you and discuss your needs.

Stay safe and we look forward to seeing you all very soon.

Yours sincerely,

Mrs A.Farley
Deputy Headteacher
