Dear parent

Parent Trustee Election

Two vacancies exist at your child's academy for Parent Trustee positions. Trustees will serve a four-year term.

If you are a parent of a registered pupil at the academy (or an individual who has parental responsibility for, or cares for a registered pupil at the academy), I am writing to you on behalf of Education Services, to seek nominations for these Parent Trustee positions.

You would be expected to attend Board meetings twice a term. When appropriate, these meetings can be conducted virtually. Working alongside the Headteacher, responsibilities include :-

- attending meetings regularly and contributing to discussions.
- helping to establish the aims, policies and objectives of the academy, and how standards of education can be improved
- helping to draw up a Development Plan
- setting the budget and monitoring expenditure
- ensuring that the national curriculum is implemented and hearing any complaints about its delivery
- appointing, promoting, supporting and disciplining staff, and deciding their salaries
- acting as a link between the local community and the academy
- producing an action plan after an OFSTED inspection and monitoring how the plan is put into practice

- considering cases of excluded students
- ensuring accountability

You do not have to be an expert on education to be a member of the Board, and we value the contribution that all members bring to the role. Nevertheless, a key consideration in the appointment and election of all new Trustees should be the skills and experience the Board needs to be effective. It is therefore important that all prospective Trustees for election understand the role of a Trustee and that they will be expected to adhere to a governance Code of Conduct.

Any specific skills or experience that would be desirable in a new Trustee, such as the willingness to learn or skills that would help the Board improve its effectiveness and address any specific challenges it may be facing, will be an advantage. Training and development will be provided via the academy.

You may self-nominate, but if you wish to nominate another parent you should seek their approval before submitting the nomination.

If you would like to be nominated as a Parent Trustee please email **your full name, date of birth along with the name of the academy, name of your child and their year group** to william.harrison@togetherforchildren.org.uk You may submit a nomination in writing. Please ensure these are hand delivered or posted to the academy in line with the closing deadline of the end of the school day on **Friday 20th May 2022.**

Further to this, please send a personal statement of no more than 250 words.

Your statement may include:

- evidence of the extent to which you possess the skills and experience the Board desires;
- your commitment to undertake training and development to acquire or develop the skills to make an effective contribution to governance;
- if seeking re-election, details of your contribution to the work of the Board during your previous term of office; and,
- how you plan to contribute to the future work of the Board.

If a greater number of nominations are received than spaces the academy will implement a ballot procedure. More details of this will follow if necessary.

It should be noted that the appointment of a Parent Trustee will be subject to a satisfactory Disclosure and Barring Service check (DBS). The Council is responsible for processing these checks on Trustees and candidates can be assured that all information is treated in absolute confidence.
