Dear Year 10 Parents and Carers,

During this half term year 10 will be completing mock examinations in each of their subjects, these will start on Tuesday 21<sup>st</sup> June and end on Monday 4<sup>th</sup> July. The timetable can be found on the reverse of this letter.

This will be the first experience of sitting a full series of examinations in their subjects following exam regulations. Teachers will be demonstrating to students useful revision sites/apps or providing revision materials for their independent study.

Revision guides are available to purchase on the school's ipay system:

<https://www.ipayimpact.co.uk/IPI/Account/LogOn>.

If you are unable to access the system please email [finance@farringdonca.net](mailto:finance@farringdonca.net). Once you access the system, go to school shop then sale products and you will see a list of revision guides available to purchase. Each subject has one revision guide available, apart from the subjects below:

History – 2 revision guides – change the quantity to 2 to purchase both revision guides.

English – 5 revision guides – change the quantity to 5 to purchase all English revision guides.

Food Technology – Revision Guide and Workbook - change the quantity to 2 to purchase both.

Please note that students do not study every subject listed, please check with students which subjects they study.

The revision guides are offered at a discounted price compared to retailers. If your child is in receipt of free school meals there will be no charge for their revision guides and students will receive these next week. Revision guides purchased during the previous week will be distributed to students each Monday afternoon.

If you have any queries around mock examinations or revision guides, please email
