11 February 2022

Dear Year 10 Parents and Carers,

**Year 10 Virtual Parents' Evening: Wednesday 16<sup>th</sup> February 2022, 2.30pm – 6.30pm**

We will be continuing the use of the online platform **SchoolCloud** for our Parents' Evening which allows you to choose your own appointment times with your child's teachers and organises these appointments into 'best fit' times for you and your availability. Once all of your appointments are booked, you will receive an email confirming them, then all you have to do is log onto SchoolCloud ahead of your first appointment and SchoolCloud will do the rest.

Year 10 will receive their report on Friday 11<sup>th</sup> February, which will include 'Personalised Learning Targets' for each subject.

**Parent, student and teacher meetings:**

The **Year 10 Virtual Parents' Evening** is an opportunity for you and your child to meet with your child's teachers and receive an update on your child's KS4 academic progress.

Appointment times are limited to **6 minutes** per appointment and our staff have been asked to concisely report to you on the following areas:

1. Your child's academic performance to date, including in class assessments and their attitude to learning
2. Your child's strengths and targets for further development and improvement, in line with their target grade

In addition to staff sharing this information, you will also be given the opportunity to submit any specific questions you might have for individual teachers when making your appointments. We would encourage parents to use this feature to make these meetings even more personalised and supportive.

**Booking your appointments:**

**The appointment window to make your bookings is open until Wednesday 16<sup>th</sup> February at 12pm.**

All parents and carers wishing to attend must log into SchoolCloud and make their appointments within this window. Please visit <https://farringdonca.schoolcloud.co.uk> to book your appointments. I have included with this letter a step-by-step guide on how to log in and add appointments. Logging in should be simple, all you need is the following information:

Example:			
Student's First Name:	Alex	Parent Email Address:	Lynne.M@gmail.com
Student's Surname:	McGregor	Date of Birth:	12 January 2008

You should book an appointment with each of your child's teachers. Teaching staff will be available for appointments between **2.30pm – 6.30pm**.

All of the correspondence from SchoolCloud will be via email so it is important that we have your current email address. If you need to update us with this, please get in touch with the school office to do this. In addition, if you do not have access to the internet or have any difficulty in booking your appointments or attending this event online, please contact the school office who will be happy to support you and discuss your needs.

Yours sincerely,

Mr S Waller  
Associate Assistant Headteacher
