Dear Parents and Carers,

I hope this correspondence finds you well.

As you know, Monday marks the beginning of our two week Easter holiday. Whilst we are not going to issue new work during this holiday period and insist students engage in school work each day, as they have been doing during school closure, we would still encourage students to complete their already assigned work. If you have any issues regarding work set or access rework set, please visit the Student Home Study page on our website for guidance or contact the academy via email (all key staff emails are available on our website such as Heads of House and Curriculum Leaders) and we will endeavour to help you.

We also would like to continue to support you in occupying and engaging your children whilst they must stay at home therefore we have created an Easter Activities folder full of suggestions, ideas and inspiration which can be accessed from our school website. The goal of these activities is to create fun, break boredom and encourage creativity! Please feel free to use and share with us pictures of your efforts via email: jill.reay@farringdonca.net or via Facebook.

Here is a link to the Easter Activities folder, it will require students' Office 365 login details to get access.

Stay safe.

Best wishes,

Mrs A Farley
Deputy Headteacher
