1. Aims

This statement sets out our school's arrangements for managing the access of education and training providers to pupils for the purpose of giving them information about their

offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access pupils in years 7 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these pupils.

This is outlined in section 42B of the Education Act 1997.

This policy shows how our school complies with these requirements.

3. Pupil entitlement

All pupils in years 7 to 11 at Farringdon Community Academy are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our
- careers programme, which provides information on the full range of education and training
- options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical
- education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses

4. Management of provider access requests

4.A Procedure

A provider wishing to request access should contact N Holder, Headteacher

Telephone: 0191 917 1500

4.2 Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to supply appropriate information for pupils and their parents. The school offers a number of opportunities for pupils and their parents to find out about the world of work, careers, education and training beyond.

In the following table, outline examples of the opportunities provided for training and education providers to speak to pupils and/or their parents/carers. We've provided some

YEAR GROUP	AUTUMN TERM	SPRING TERM	SUMMER TERM

Please speak to our Careers Leader, Mr Roberts to identify the most suitable opportunity for you.

4.3 Safeguarding

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors. Education and training providers will be expected to adhere to this policy.

4.4 Premises and facilities

The school will endeavour to make accommodation and resources available for discussions between the provider and pupils, as appropriate to the activity and timing. This will all be discussed and agreed in advance of the visit with the Headteacher. All presentations must be approved by the Headteacher so that they are in keeping with the ethos of the school. Providers are welcome to leave a copy of their prospectus or other relevant course literature which will be made available to pupils via the School Library and Careers office.
